Powerfully Purposed Transformation

Joe T. Green

Accepting God's Identity for You is Everything---Following Jesus into God's Kingdom---and surrendering to His Lordship Today---This is God's formula for changing mankind, revealing His will for your life, and winning the war for your soul.

Romans 12:2 KJV

(2) And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

English Prologue

This is not a new teaching, or even a teaching, although everyone learns as they travel. I am attempting to show the pathway God laid out for human beings in the Garden of Eden and the path Jesus took so we could follow Him back into God's presence as citizens in His Kingdom. If you are tired of boring lectures without power, life, or destiny?

The Kingdom of God is here. The kingdom is still full of joy, peace,
and excitement in today's world.

It is not God's future plan, but rather today's agenda. Therefore, the Lord is accepting volunteers to join the kingdom's goal of establishing the mindset of His kingdom in the hearts of believers today.

If you identify as a Christian, live with the hope of attaining Heaven, and believe you will be raptured out of the current cultural war, you have become a victim of the devil's schemes and a party to their success. He always wants you to delay accepting the things of God until it is too late for them to affect the world we live in today. Discover what Satan is stealing from you today.

Because Jesus has finished all things needed for life and Godliness, our family, city, state, country, and world's future depends upon our recognizing, believing, claiming, and living in all of the things of God today, not tomorrow.

God has established our identity
as His child at the cross.

A willing and obedient heart is all it takes to live, move, and have your being, identity, and destiny in God. Therefore, passionately strive to establish a true legacy for your children. Without any exaggeration, I can say, enter at the risk of being forever changed!

Living in Him

During my time in Florida, I heard about this new teaching. Dr. Wayne Dyer was speaking about splitting an atom and the many parts it contained. When the scientist splits an atom enough times, only energy remains. Energy is the force that holds everything together. It is invisible, cannot be destroyed, but can change its form. An example is the combustion of a piece of firewood. The energy in the wood manifests as heat, fumes, smoke, and wood ashes.

God holds the universe together by the word of His power (Hebrews 1:3). I believe but cannot prove that energy is the manifestation of God holding the universe together. This expression, which we call energy, has intelligence and is what the Bible calls God. Because of this belief, I can now totally agree with the Apostle Paul:

Acts 17:28 KJV

(28) For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring.

To me, every physical thing in our universe is a manifestation of God. The air we breathe, our clothes, and even our bodies manifest His presence. It is impossible to be alone and without God in the universe. Of course, this also means that as we agree with God and our spirit cries out, "Abba Father, I have come to do thy will, " we harmonize with the universe. So again, I must agree with the Apostle Paul: don't let Satan.

Romans 8:28 KJV

(28) And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

It is in this lifestyle of joy and peace that God has called us I no longer chase God; I live with Him daily I no longer believe that He will bless me; He has blessed me and is blessing me I no longer look to tomorrow for God to give me something; he has given me all things needed for life and godliness You can wait until your bodies die to receive your reward from God, but I accept all He has today, including the Kingdom of Heaven.

Don't let Satan trick you into waiting for the promises of God. It may be too late, then God is the God of today. Apprehend His promises today.

Although He is everywhere, that does not mean we should worship trees, grass, or cows. Please do not think I am advocating worshiping God in any manner

other than through Jesus. For those who want all of God today, I ask you to join me in this prayer.

Prayer

Father, I believe that nothing is impossible for your children who believe. I ask you to make yourself a reality I have never seen before. Every tree, every flower, every rock, and every person is a manifestation of your presence. Open the eyes of my understanding that I might see you by faith. Help my unbelief and make your truth a reality in my life. Forgive me for misrepresenting you by chasing you. You are the God who came to us and still comes to us every day if we will accept you. My body, spirit, and soul are yours, but I ask for all of you in my life. In return, I shall eternally give you praise and glory with an exceedingly thankful heart. In Jesus' name, amen.
