English Prologue

This is not a new teaching, or even a teaching, although everyone learns as they travel. I am attempting to show the pathway God laid out for human beings in the Garden of Eden and the path Jesus took so we could follow Him back into God's presence as citizens in His Kingdom. If you are tired of boring lectures without power, life, or destiny?

The Kingdom of God is here. The kingdom is still full of joy, peace,
and excitement in today's world.

It is not God's future plan, but rather today's agenda. Therefore, the Lord is accepting volunteers to join the kingdom's goal of establishing the mindset of His kingdom in the hearts of believers today.

If you identify as a Christian, live with the hope of attaining Heaven, and believe you will be raptured out of the current cultural war, you have become a victim of the devil's schemes and a party to their success. He always wants you to delay accepting the things of God until it is too late for them to affect the world we live in today. Discover what Satan is stealing from you today.

Because Jesus has finished all things needed for life and Godliness, our family, city, state, country, and world's future depends upon our recognizing, believing, claiming, and living in all of the things of God today, not tomorrow.

God has established our identity
as His child at the cross.

A willing and obedient heart is all it takes to live, move, and have your being, identity, and destiny in God. Therefore, passionately strive to establish a true legacy for your children. Without any exaggeration, I can say, enter at the risk of being forever changed!

Many books that one might read are entertainment, instruction, education, etc. But you might miss most of this book's great value if you scan it or read it lightly, as you would a story. Therefore, you must study this book until you have internalized it. By that, I mean you should meditate on each chapter until the concept presented is learned and put into practice in your life, shaping your self-identity.

When I teach love, ponder it until you fully identify with it. Then, repeating the main ideas of that subject aloud and allowing your subconscious mind to think about them overnight helps tremendously with learning, because so much effective learning takes place while we are asleep. Even though you are unaware of it, your subconscious mind continues working on the previous day's events, assimilating, solving, and filing the problems of the day before

When you arise and bring those thoughts to mind, it strengthens your recall and makes them more easily accessible. Doing this regularly, over a longer period, will transform your self-identity.

Several years ago, I started playing the keyboard; my goal was to be able to sing and worship God through my music. After about ten years of this, I played the church piano for some friends at church. Right after that event, I realized I was a piano player. I did not become a pianist because I was a professional player; I became a player because I practiced until I identified myself as a pianist.

Renewing our minds (Romans 12:2) through the concept of practice, practice, practice transforms us into His image. Do this, however it works for you. Reading and practicing by recalling the main points and speaking them aloud works well for me. Just as David encouraged himself in the Lord, I do likewise and repeat as often as necessary, usually daily, until I own them, and they are mine. It is not easy or quick, but it is the most beneficial thing you can do for yourself, your family, and the world you live in.
